<p>I am happy for identifiable information about me to be shared with the Health & Social Care Information Centre for use within the NHS but I do not consent to identifiable information about me being passed from the HSCIC to any other organisation. This opt-out will be applied to all identifiable medical information held about me by the NHS, including hospital data, other than in the event of a civil emergency. I understand that in order to implement this opt-out, my NHS number will be passed to the HSCIC to effect this opt-out but no other use will be made of it.</p>	<input type="checkbox"/>	Code XaaVL

<p>Both of the above. My GP records will not be passed to the HSCIC other than in the event of a civil emergency. Any information held by the HSCIC from any source will not be passed to any other organisation. My NHS number will be passed to the HSCIC to effect this opt-out but no other use will be made of it. At present it is not possible to prevent information from hospitals and other NHS care providers from being used in an identifiable form within the NHS.</p>	<input type="checkbox"/>	Codes XaZ89 XaaVL	
<p>I would like/would not like (delete as appropriate) to receive marketing material from Heart of Bath Medical Partnership</p>	<input type="checkbox"/>		

I understand that I can change my mind at any time and notify my GP practice.
